

Future and current students can be excited about the opportunities and challenges provided by Alstonville High School.

Our school and its staff aim to provide all students with opportunities, encouragement and support to develop their talents and reach their full potential. We expect that all members of the school community participate actively as learners, make sound judgements, respect the rights and opinions of others and work co-operatively as a member of a team.

Alstonville High School has established a fine record of academic, sporting and cultural achievements and has an outstanding reputation for the conduct of its students. We expect students, parents and staff to all take pride in these achievements and to work in a positive partnership to enhance this record in the future.

We value and celebrate the achievement of personal excellence. We encourage students to develop a strong sense of citizenship and belonging to Alstonville High School. Our school enjoys strong support from the local community and we value this positive relationship. I am certain that with the assistance of the school's committed staff all students and parents will find their association with the school to be both rich and rewarding.
